

OFFICE OF
Custodian U. S. Court-House and Post-Office Building,

Philadelphia, Pa., February 18th, 1889.

Hon. Daniel M. Fox,

Superintendent of U. S. Mint,

Philadelphia, Pa.

My dear Sir:

Col. A. H. Dill, United States Marshal for this district, called this morning and stated that he had been requested by Hon. William Butler, Judge of the District Court for the Eastern District of Pennsylvania, to make objection to the use of the elevator in the southern end of this building during business hours. I suggested that the Marshal should call upon you in reference to the matter, so that the convenience of your employes might be consulted. Marshal Dill informs me that Judge Butler states that unless the work is stopped during business hours, that the Marshal shall telegraph to the authorities at Washington, making complaint. In view of the facts, I think it proper to promptly advise you of them.

Yours, very respectfully,

Wm. H. Smith
Custodian.
